

PROGRAMMES DELIVERED BY BRIDGES OF HOPE TRAINING / PETER LABOUCHERE

- In 2011, coordinated a programme with **SABCOHA (South African Business Coalition on HIV/AIDS)** to supply 1000 Bridges of Hope kits and train Master Trainers and Peer Educators from organisations throughout South Africa to make most effective use of the kits. This contract is being renewed for 2012.
- Created a tailored *Bridges of Hope* Wellness and HIV-related training package for **Standard Bank Group** and ran training programmes in 14 different African countries for staff Wellness Champions. This programme won the Global Business Coalition on HIV/AIDS, TB and Malaria 2008 Workplace Award for Business Excellence, and also the AfriComNet 2008 Award for Best community/interpersonal strategy, campaign or tool. Trained Learning and Development staff as Master Trainers ('Champion Training Leaders') to enable the programme to be internally self-sustaining.
- Worked with **Johns Hopkins University / Center for Communication Programs** on a USAID/UNAIDS funded program to develop and customize *Journey of Hope* for Ghana's national "Stop Aids Love Life" HIV/AIDS awareness and behaviour change campaign. Lead trainer for three 8-day workshops to train 80 Master Trainers from a spectrum of NGOs and public sector bodies throughout Ghana. *Journey of Hope* was launched nationally by Vice-President Alhaji Aliu Mahama and 4000 sets of materials were made to support the downstream training of trainers program.
- Developed and adapted the *Bridges of Hope* HIV/AIDS training package for **Standard Chartered Bank** and facilitated the 'Living with HIV' regional conference for their Champions from all 13 African countries they operate in. Adapted these materials and trained champions at other regional conferences in Malaysia, India, Hong Kong and UK to rollout this program globally for their 21,000 staff in 56 countries worldwide. This programme won the Global Business Coalition on HIV/AIDS 2003 Workplace Award for Business Excellence.
- Incorporated *Bridges of Hope* activities in a package for Standard Chartered Bank's global 'Educate One Million by 2010' campaign, and co-trained Master Trainers to use it. This won the Global Business Coalition on HIV/AIDS, TB and Malaria 2009 Community Investment Award.
- Worked with the **Centers for Disease Control and Prevention (CDC)** on developing the reinforcement component of their innovative international MARCH program (Modelling and Reinforcement to Combat HIV.) This involves creating long running 'edutainment' radio serial dramas, with the changes in behaviour modelled by some of the key characters backed up and reinforced by a range of activities for groups of listeners.

- Work in collaboration with **KANCO** (Kenya AIDS NGOs Consortium) included training and coaching those in member organizations in the effective application of some *Journey of Hope* tools and techniques. e.g. Goal Ireland now using them in their HIV/AIDS programs targeting street children; SourceNet 2000 using them with commercial sex workers and their clients; MSF using them with rural communities.
- Worked with **Tearfund** and their partners from different churches in nine African countries to develop and train Master Trainers to use a package called "*Guardians of our childrens health*" which promotes men's involvement in preventing parent-to-child transmission of HIV.
- Worked with **Health Communication Partnership Zambia** throughout the process of developing behaviour change strategy, pre-testing, finalizing and training 'Master Trainers' to use and train others to use the *HEART Life Skills Toolkit for Youth - Powerful and practical experiential learning activities for staying healthy and achieving your goals and dreams in life*.
- Worked with the **Johns Hopkins University / Malawi BRIDGE Project** to develop the *Hope Kit* and train a group of 30 Master Trainers to use and train others throughout the country to use it.
- Created and developed two supplementary training packages for **Malawi BRIDGE Project**, and trained Master Trainers to use and train others to use these packages:
 - *Bambo Wachitsanzo - A Hope Kit Update Package of Experiential Learning Activities for Involving Men in Addressing Health and Wellness Issues*
 - *Have a Healthy Baby - A Hope Kit Update Package of Experiential Learning Activities for Preventing Mother To Child Transmission of HIV*
- Trained groups of peer educators from **PSI (Population Services International)** in Botswana, Swaziland and Lesotho to use *Bridges of Hope* to enhance their community programmes.
- Trained **Nurse Trainers** from **Netcare Training Academies** throughout South Africa to use *Bridges of Hope*.
- Tailored *Bridges of Hope* for **BCL Mine**, Botswana, trained Peer Educators and Master Trainers
- Trained Peer Educators from **Hernic Ferrochrome**, Brits, South Africa to use *Bridges of Hope*.
- Worked with **AED Zambia / LPCB (Local Partners Capacity Building)** to adapt and train people from 18 partner organizations to use the materials.
- Worked with **AED Botswana** and **BONEPWA (Botswana Network for People Living with HIV)** to adapt and develop a *Prevention with Positives Bridges of Hope* package specifically for use by support groups. 100 Peer Educators from 50 support groups throughout Botswana trained to use the materials.
- Contracted by **SWHAP (Swedish Workplace HIV and AIDS Programme)** to train Peer Educators from their member companies in Zambia and subsequently in Zimbabwe to make most effective use of *Bridges of Hope*.
- Worked with **Sandvik Mining and Construction Zambia** to establish *Bridges of Hope* in both their workplace Peer Educator programme and in the various community programmes they support. Subsequently contracted by **Sandvik Mining and Construction RSA** to run a similar programme there.
